ABOUT THE *Sunflowers*

Clearview Farm Sunflower Field

Clearview Farm is a project of The Atkins Group (TAG) and has been welcoming the community to enjoy stunning sunflower fields in northwest Champaign since 2021.

Prior to that, TAG planted their first sunflower field in 2020 at Stone Creek Golf Course (now Atkins Golf Club at the University of Illinois) in Urbana.

The 2026 Clearview Farm sunflower field is sponsored by The Atkins Group.

Fast Facts About This Year's Sunflower Field

- Approximately 11 acres in size
- Around 237,500 individual sunflower plants
- Visited by thousands of guests during peak bloom
- Black oil seed variety – used for sunflower oil or cattle feed (not ideal for roasting or snacking)
- Paths are planted (not mowed!) using precision GPS technology by Nutrien's Innovation Farm
 - o Planter shuts off automatically where paths are designed
 - o Sunflowers are planted at 25,000 seeds per acre—and zero where paths go
- Each year's sunflower maze has a different design. This year's celebrates the 250th anniversary of the USA!
